Tue. 7:00 a.m.

Dearest Family.

Joy be with us - it rains!!
and am I glad. Now I
want to crawl up and
go to sleep somewhere, as I
haven't been getting to bed
any too early this week, conse-
quently, I'm very sleepy. I hope
you are all well. Has Daddy
been to see the doctor yet? He
had better if he wants me
to keep on loving him.

Busy as usual, only I don't
know where the week has
gone. When I survey my
week's work I don't seem
to have really accomplished a
thing. I think J.D. is going to
take me out to dinner Sat. night.
Hope it goes. Then maybe he'll bring
the "lad." Must go to work.
Hope kiddies are well. Love, Mae.
